

IMPORTANT NOTICE DUE TO Covid-19 OUTBREAK

We are sorry to inform you that, due to the current COVID-19 epidemic, the Summer School on Historic Masonry Structures can not take place on the 14th to the 28th of June as originally planned.

To date, the unpredictable developments of the situation and the consequent Governments' restriction on international travels and social distancing make it very difficult to reschedule it to the near future.

However, by **May 15th**, we will inform you on the final decision of the organizing committee, that is now considering the two options of postponing the School to September 2020 or rescheduling it to June 2021.

Stay safe and healthy!
